To Whom It May Concern:

This letter is to invite, *Iryna Rusetskaya* age ____ to our home to visit us for a six weeks period in June and / or July. We will pay for all of her expenses from Belarus to Anywhere, North Carolina and back to Belarus, and will pay and provide all her needs while she is with us and during her return trip home.

We met Iryna many years ago (in 1995) through the American Belarussian Relief Organization, and she has been a guest in our home during the summer of each year. She has become like one of our family whom we love and miss very much. We will return her to her family in Belarus immediately after the six week visit.

Jarvis is currently employed as the manager of Acme Plumbing Distributors, Inc., at the Anywhere, North Carolina Profit Center, where he has worked for 24 years. Mary is a Registered Nurse, currently employed at CVS, Inc., in Anywhere, North Carolina, and has been with CVS for 4 years.

We are stable American citizens, have lived in our current address for 14 years and lived in the same local area all of our lives.

We will gladly provide any other information you desire,

Sincerely,

Jarvis & Mary Perry
